

Ariel Re announces the hire of Daniel Carr as Head of Cyber

Ariel Re, a Bermuda-based reinsurance business with offices in Bermuda, London and Hong Kong, is pleased to announce that Daniel Carr has agreed to join as Head of Cyber, effective October 1, 2021. Daniel will be based in the Ariel Re London office.

Daniel Carr most recently served as Chief Innovation Officer and Cyber Lead for Occam Underwriting Limited and prior to that he worked as a Cyber Security Specialist with AEGIS in London. Before working in the (re)insurance industry, Daniel was a Principal Consultant for Cyber at BAE Systems and spent time working for the UK Ministry of Defence as a Cyber Specialist.

The company said that his addition to the team aligns with Ariel Re's vision of being the premier manager of reinsurance risk.

Commenting on the new hire, CEO Ryan Mather said, "Ariel Re's goal is to gain a deeper understanding of the evolving Cyber liability landscape, while bringing innovative solutions and meaningful capacity to our clients. Having Daniel in the newly created role of Head of Cyber is exciting for us at this juncture of the market."

"Daniel brings a wealth of Cyber underwriting expertise, as well as a deep technical understanding of Cyber exposures."

About Ariel Re:

Ariel Re offers a broad range of innovative insurance and reinsurance solutions and services through our offices in Bermuda, London and Hong Kong. We are a multi-line, specialty (re)insurer meeting the business needs of a diverse client base. Ariel Re operates principally through Syndicate 1910 in London and also offers access to Lloyd's Europe via Syndicate 5336.

Originally founded in 2005, Ariel Re was acquired by Pelican Ventures and J.C. Flowers on November 24, 2020. The new owners bring to the table significant capital resources and a long track record of supporting successful, entrepreneurial businesses in the (re)insurance industry.
